

**Colchester Routes 7/2, 2A, 127 Intersection Improvement Project – update on signal at Bay Rd/Routes 7/2 & 127 intersection**

Hello,

The schedule for having the traffic signal at the Bay Rd/Routes 7/2 & 127 intersection fully operating has been delayed until mid-January. The lights will continue flashing red/yellow until the signal work is completed.

Safe travels & happy holidays.

For more information on the project see

<http://www.i89colchester.vtransprojects.vermont.gov/route7-2.html>

Best regards,

Jill
